

Research Analyst – Japanese Speaking Intern

We are delighted to announce that we are one of companies to make the 2018 'Best Companies to Work for in Greater China' list.

Third Bridge provides private equity firms, hedge funds and strategy consultants with the information that they need to understand the value of their investment opportunities.

Our vision for delivering deep insight and unbiased market intelligence has evolved into a business with a range of complementary services, six offices across three continents and a global client base.

Whether it is facilitating a private conversation with an industry veteran, moderating a dialogue between experts and investors, or extracting insights from within the supply chain of a poorly documented industry, we are on our clients side, helping them to make informed investment decisions.
